Best Practices for Family Worship

Parents, we want to equip you to disciple your kids well in this season. Here are some tips on the best way to invite your little ones to join us as we worship together online.

→ **Prepare:** Gather everything you need before the service starts (Bibles, journals, sermon notes), and don't forget to use the bathroom!

→ **Print:** Download resources like our coloring sheets and sermon guide. No printer? No problem! Have your kids write or draw something they learned.

→ **Put Aside:** Take a break from distractions like phones, pets, and food.

→ **Pray:** As a household, ask the Holy Spirit to help everyone hear and believe.

→ **Participate:** Model worship for your kids by singing, praying, and opening God's Word. Remind everyone that the Church is God's family—a group of people who love and trust Jesus—not a building.

→ **Practice:** Discuss how you'll apply the lessons you just learned.

**"Just as I
have loved
you, you
also are to
love one
another."**
